

FALL 2016 YOUTH CLASSES

Uhuru with Aakhu Ali (Free and Creative Movement)

Mondays (Ages 1-2)* 10:30-11:15am at Brooklyn Ballet

Fridays (Ages 2-4) 10:30-11:15am at Brooklyn Ballet

Uhuru (the Kiswahili word for “freedom”) is a series of creative movement classes featuring a combination of song, dance, and play - designed to ignite children’s creative voices and nurture their freedom of expression. Aakhu is proud to continue Jamie Philbert’s signature pedagogy and help build a foundation for a life-long creative practice.

This is a lively class for toddlers who are comfortable on their feet, featuring games, interactive stories, and dance, drum, and song sequences. Parents and guardians should come ready to play and participate!
